

USS CLIENT WORKSTATION

High-Performance and Optimized for United VMS

The FLIR USS Client Workstation is a high performing and efficient workstation designed to address the needs of security operation centers, be they basic or highly advanced, and is optimized for the FLIR United VMS™ products. Designed for dual/quad monitor configuration with full HD graphics.

HIGH PERFORMANCE

- Optimal performance and reliability
- Ability to connect to multiple monitors

COST SAVINGS

- Reduced unit count and Total Cost of Ownership (TCO)
- Reduced installation time, greater consistency
- Compact form factor
- Reduced environmental footprint

PEACE OF MIND

- Ease of use for technicians and easier problem solving
- Software optimized for United VMS monitoring
- Easy to expand and maintain

Specifications	Dual Monitor	Quad Monitor	Quad Monitor - High Performance
Form Factor	Small form factor		
Processor	Enterprise Quad-core Intel® Core i3-10105		Enterprise Quad-core Intel® Xeon® W-1350
Chipset	Intel C246 Chipset		
Memory	16 GB 2666 MHz DDR4		
I/O Slots	1x half-height PCIe x16 Gen3, 1x half-height PCIe x4 Gen 3, 1x M.2 (22 mm × 80 mm)		
Operating System	Microsoft® Windows 10 Professional (x64)		
Hard Drive	2.5" 256 GB Class 20 SATA Solid State Drive		
Communications	Integrated Gigabit Ethernet controller		
Audio Controller	Integrated high definition audio		
Power Supply	260 W, 100-240 VAC 50/60 Hz (auto)		
I/O Ports	6x USB 3.1, 4x USB 2.0 1 x RJ45, 1x audio line-out, 1x universal audio jack, 1x Serial, 2x PS/2		
Optical Drive	8x DVD+/-RW		
Display Ports	2x Display Ports	2x Display Ports, 3x Mini Display Ports	
Monitoring	Up to 420 fps 1080p		Up to 510 fps 1080p
Peripherals	QuietKey USB keyboard and optical scroll USB mouse		
Dimensions	290 × 93 × 292 mm (11.42 × 3.65 × 11.5 in)		
Weight	5.26 kg (11.57 lb)		
Warranty	3-year ProSupport and Next Business Day On-site Service (upgrades available)		
Certifications	Nemko, CE, FCC, C-Tick, ICES, VCCI, CCC, KC		
Ordering Information			
USS-WKS-DM2	Client Workstation with dual monitor support and 256 GB solid state drive. Includes OS optimization for United VMS application. Software purchased separately.		
USS-WKS-QM2	Client Workstation with quad monitor support and 256 GB solid state drive. Includes OS optimization for United VMS application. Software purchased separately.		
USS-WKS-QM2-HPS	High Performance Client Workstation with quad monitor support and 256 GB solid state drive. Includes OS optimization for United VMS application. Software purchased separately.
